NEW WAVE MARITIME TRAINING AND ASSESSMENT CENTER, INC. · AFTER REGISTRATION

Application summary — three designs

What applicants see right after submitting the registration form: a summary built to be screenshotted, the steps to send it with a valid ID to the New Wave Facebook page, the terms and conditions they accepted, and how to contact New Wave. Every design shows the enrollment number in the new format `NWMTACI-0000001`.

1 · Screenshot this summary

Name, SRN, rank, mobile, submission time and the enrollment number, sized to fit one phone screenshot.

2 · Send it with a valid ID

To facebook.com/newwavemtc, with a ready-to-copy message that includes the enrollment number.

3 · Terms and contacts

The six terms and conditions accepted, plus the office address, mobile, telephone, email and Facebook page.

CONFIRMATION DESIGN 01

Boarding pass

A ticket-style card built for one screenshot. The summary looks like a boarding pass: enrollment number large at the top, applicant details below a perforation, and the one instruction that matters. It fits a single phone screenshot. The full page continues with numbered steps, the Facebook button, terms and contact details.

BEST FOR

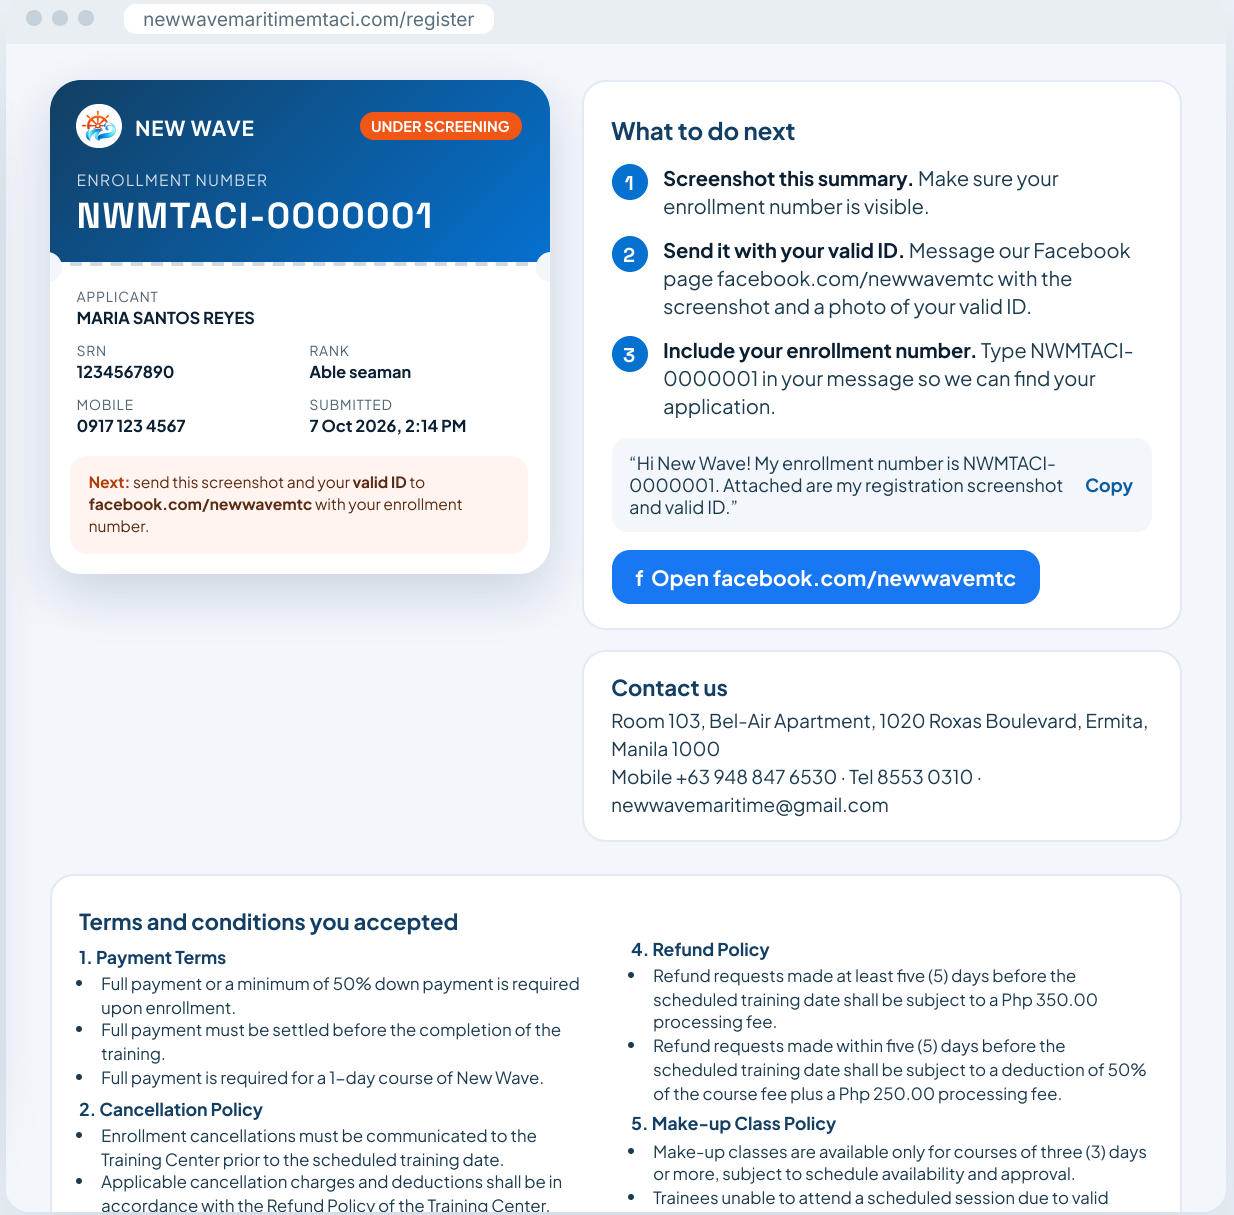

- Screenshots that are instantly recognisable on Facebook
- Making the enrollment number impossible to miss
- A memorable, modern feel

ON THE PAGE

- Applicant summary and enrollment number
- Next steps: screenshot, valid ID, Facebook page
- Terms and conditions accepted
- New Wave contact details

CONFIRMATION DESIGN 02

Official acknowledgment

Reads like a printed slip from the Training Center. A formal acknowledgment with the New Wave letterhead, enrollment number, a bordered details table and numbered instructions — it matches the admission slip and receipts the trainee gets later, and looks credible when forwarded to an agency. Terms and contacts follow on the same page.

FONTS

Libre Franklin + IBM Plex Mono (numbers)

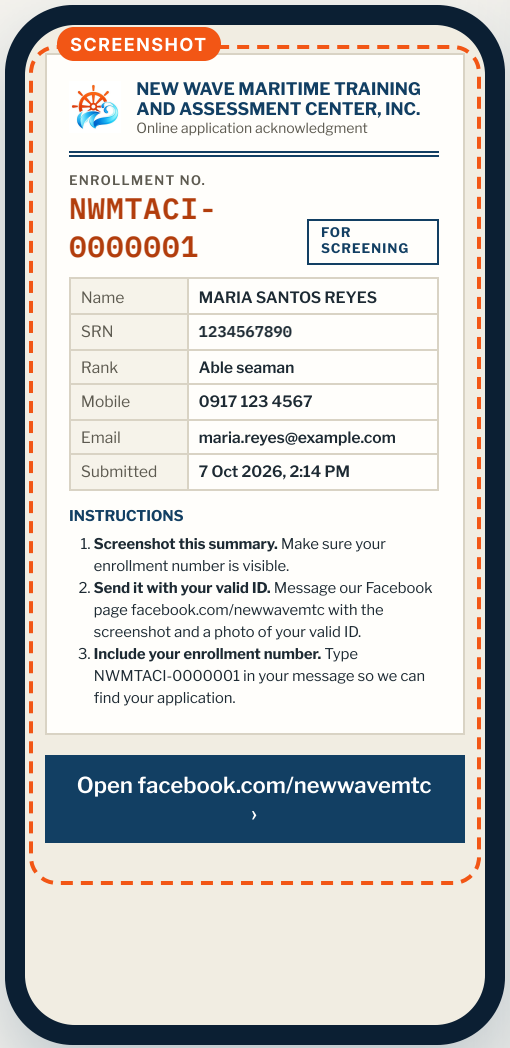

BEST FOR

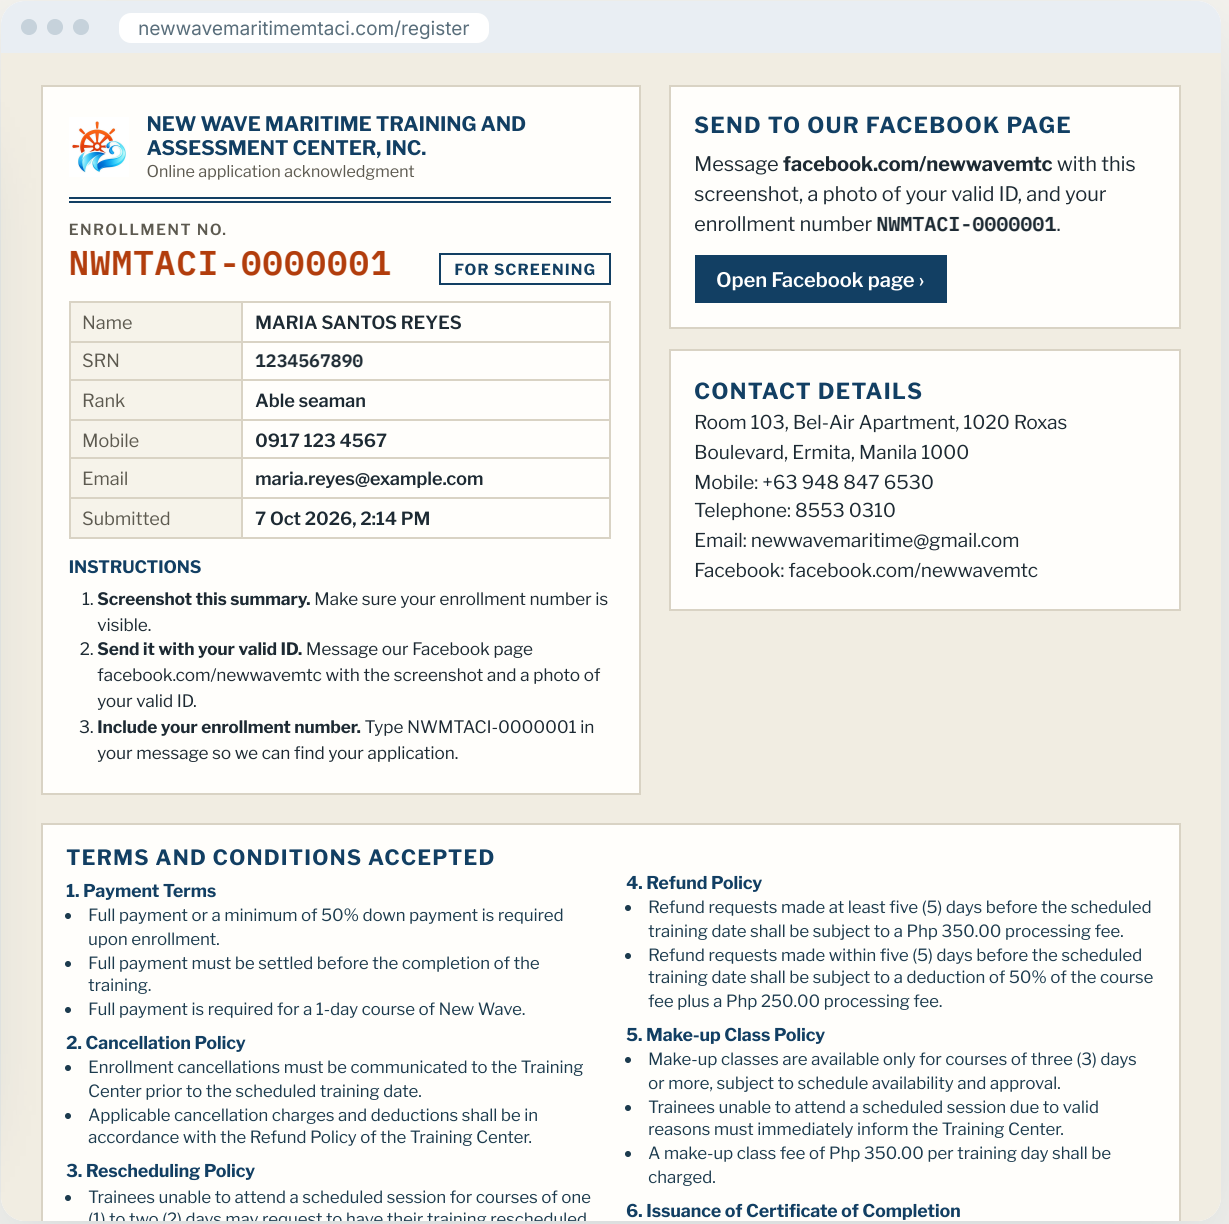

- A formal, regulated look
- Applicants forwarding it to their manning agency
- Printing or saving as an image

CONFIRMATION DESIGN 03

Quiet checklist

Continues the new registration form. The success page uses the same calm Outfit + Inter style and section cards as the form the applicant just completed. A big check, the enrollment number with a Copy button, then the three steps as a checklist the applicant can tick off. The phone view is trimmed to exactly what the Facebook screenshot needs.

BEST FOR

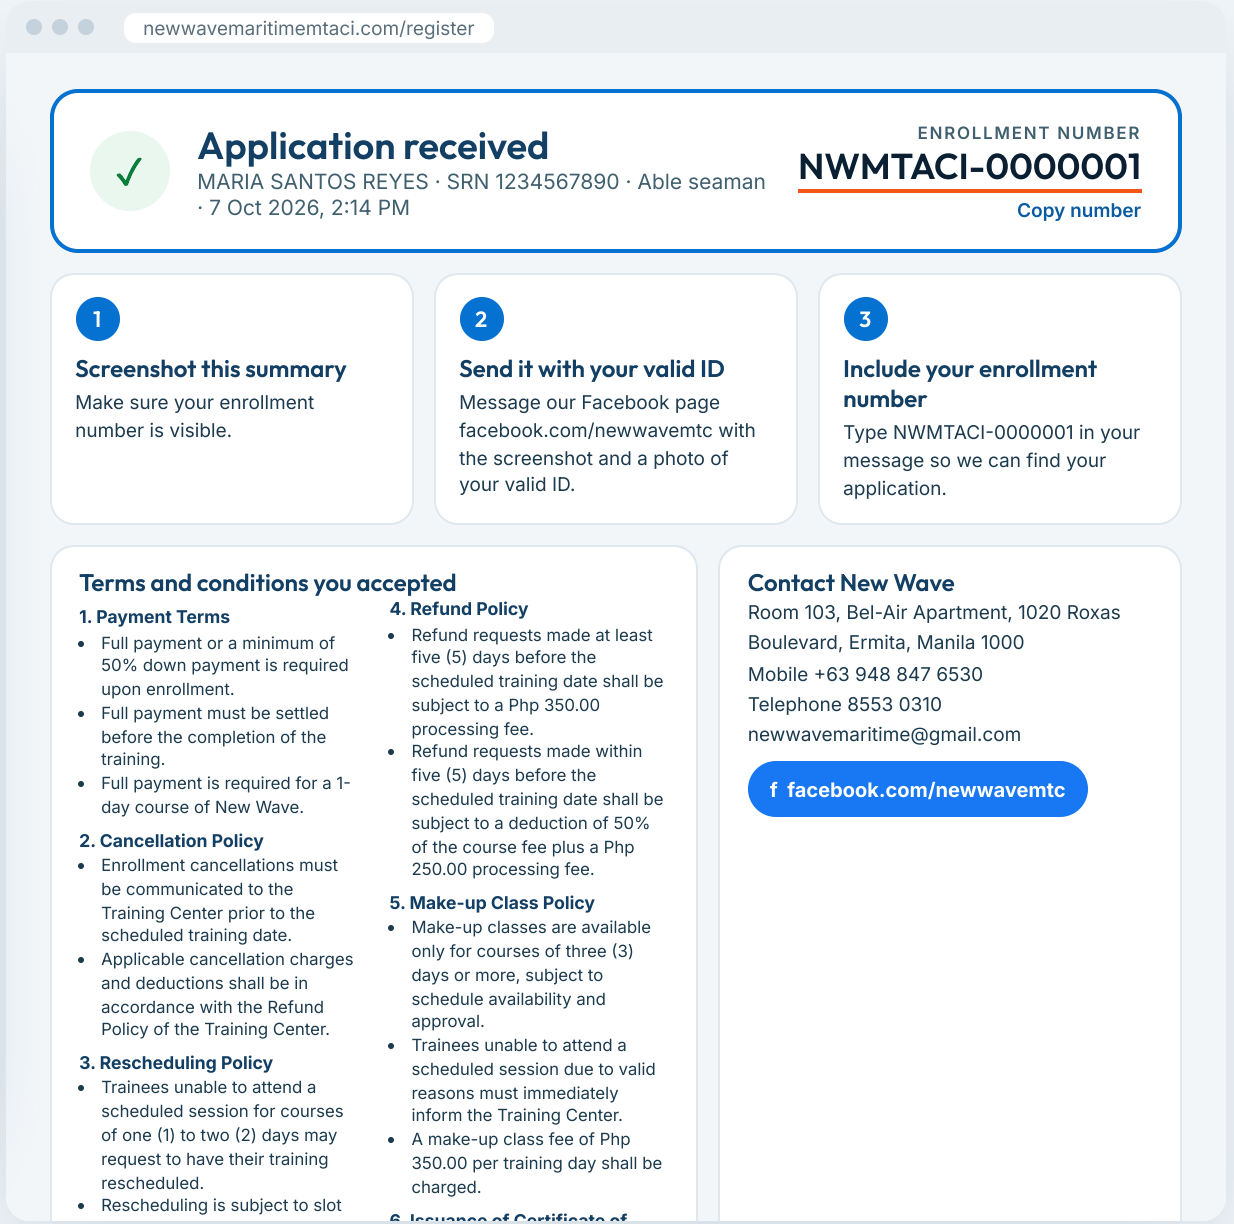

- Consistency with the new form
- Applicants who want clear, ordered steps
- Clean, minimal look
