NEW WAVE MARITIME TRAINING AND ASSESSMENT CENTER, INC. · PUBLIC REGISTRATION

Registration form — five more directions

Directions 06 to 10, continuing from the first set. The same fields, SRN look-up and screening flow, presented five new ways: a console layout with a live summary, minimal underline fields, collapsible checklist sections, a live trainee-card preview, and a large-touch kiosk for walk-ins at the office.

#	DIRECTION	CHARACTER	TYPE PAIRING
06	**Console**	Navy header and a live summary beside the form	Public Sans 700 (headings) + Space Grotesk (SRN, numbers)
07	**Quiet lines**	Minimal underline fields, lots of air	Outfit 600 (headings) + Inter (fields)
08	**Checklist sections**	One page, collapsible sections, progress rail	Manrope 800 (headings) + Manrope 500 (fields)
09	**Live ID card**	A trainee card fills in as you type	Plus Jakarta Sans (form) + IBM Plex Mono (card numbers)
10	**Front-desk kiosk**	Large touch controls for walk-ins on an office tablet	Fraunces (welcome headline) + Nunito Sans (fields, buttons)

Any of these can be combined with the first five, for example 08 sections on desktop with 04 one-step screens on phones, or 10 as a separate kiosk mode at the front desk. Tell me the number you prefer.

FORM DIRECTION 06

Console

Navy header and a live summary beside the form. Borrows the staff portal's navy top bar for the steps, then splits the page: the form on the left, a live 'Your application' summary and 'What happens next' on the right. Applicants always see what they have entered and what comes after.

TYPE PAIRING

Apply for training

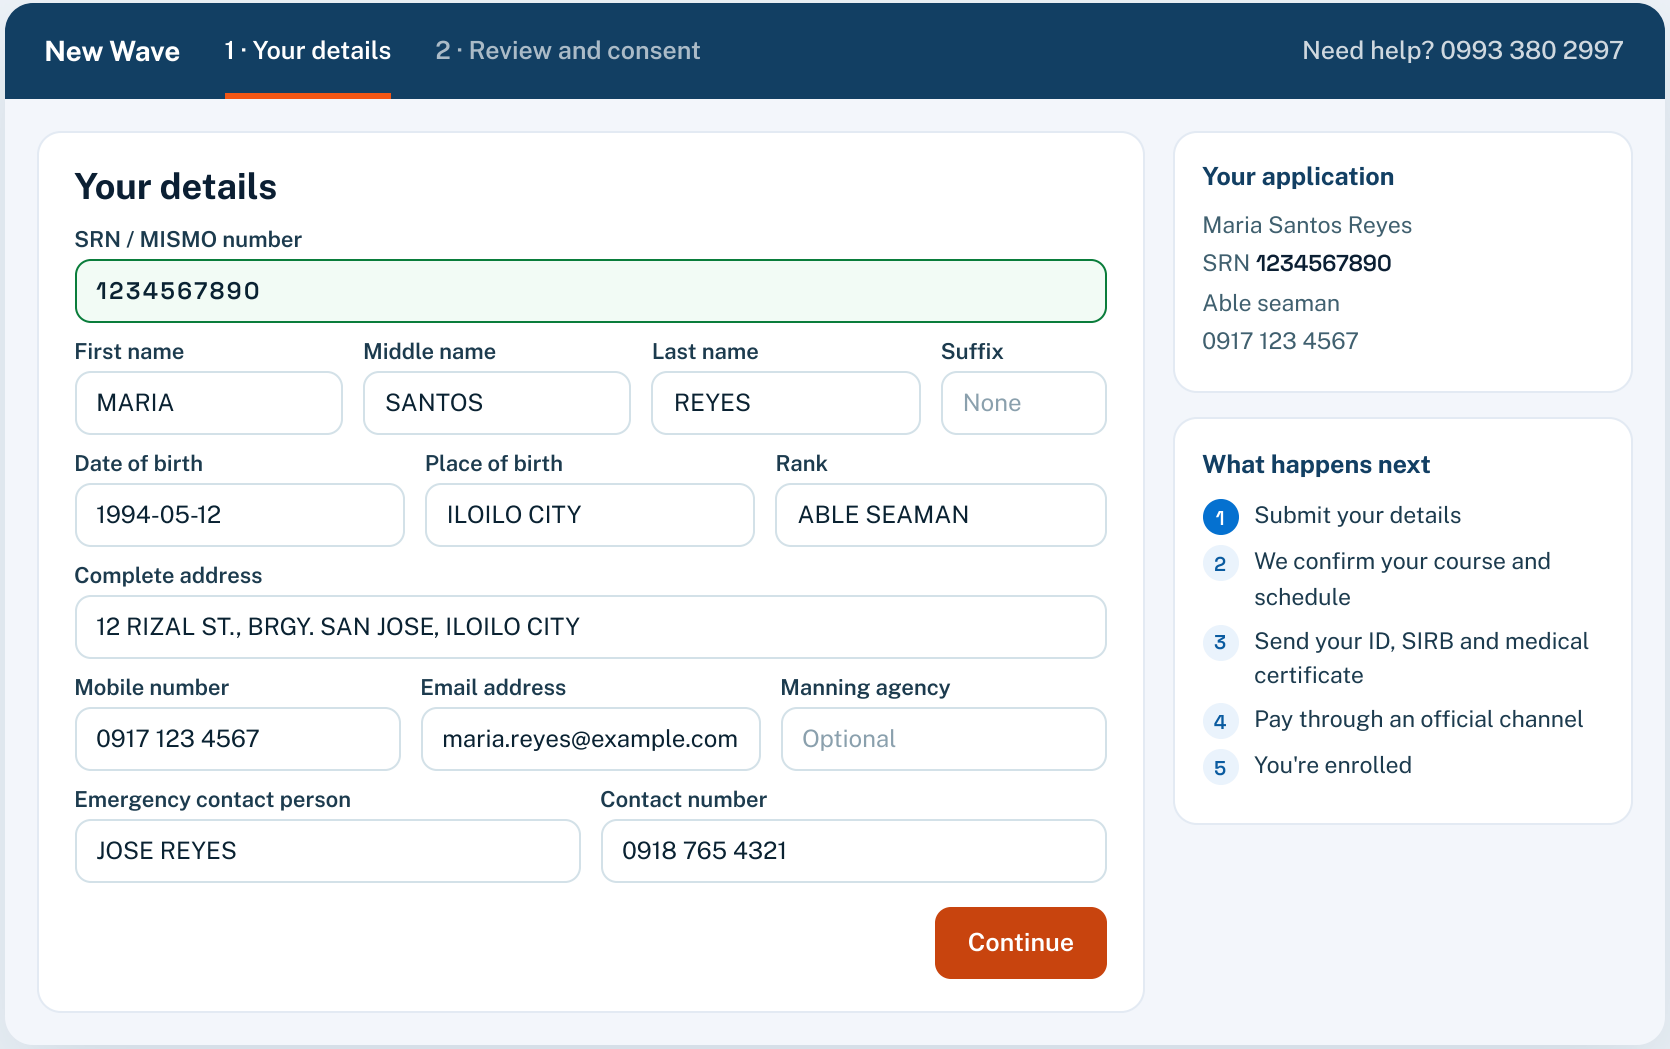

Enter your SRN first — returning applicants are filled in automatically.

Public Sans 700 (headings) + Space Grotesk (SRN, numbers)

BEST FOR

- Desktop applicants who like to double-check
- Explaining the screening process clearly
- Matching the Bridge Compass portal header

All five keep the same fields, the SRN look-up and the screening flow. Buttons with white text use #C8440E for readable contrast; brand orange #F25615 stays for badges and large type.

FORM DIRECTION 07

Quiet lines

Minimal underline fields, lots of air.
Borderless fields with a single underline, generous spacing and one strong heading. It feels light and premium, and the orange underline on the active field guides the eye. Outfit gives a clean, contemporary heading; Inter keeps entries legible.

Outfit 600 (headings) + Inter (fields)

BEST FOR

- A premium, uncluttered look
- Short attention spans
- Pairing with large photography

All five keep the same fields, the SRN look-up and the screening flow. Buttons with white text use #C8440E for readable contrast; brand orange #F25615 stays for badges and large type.

FORM DIRECTION 08

Checklist sections

One page, collapsible sections, progress rail. Everything on one page in numbered sections that collapse once complete, with a sticky rail showing what is done and what is left. Applicants never lose their place and can jump back to fix one section. Manrope keeps it crisp and friendly.

TYPE PAIRING

Apply for training

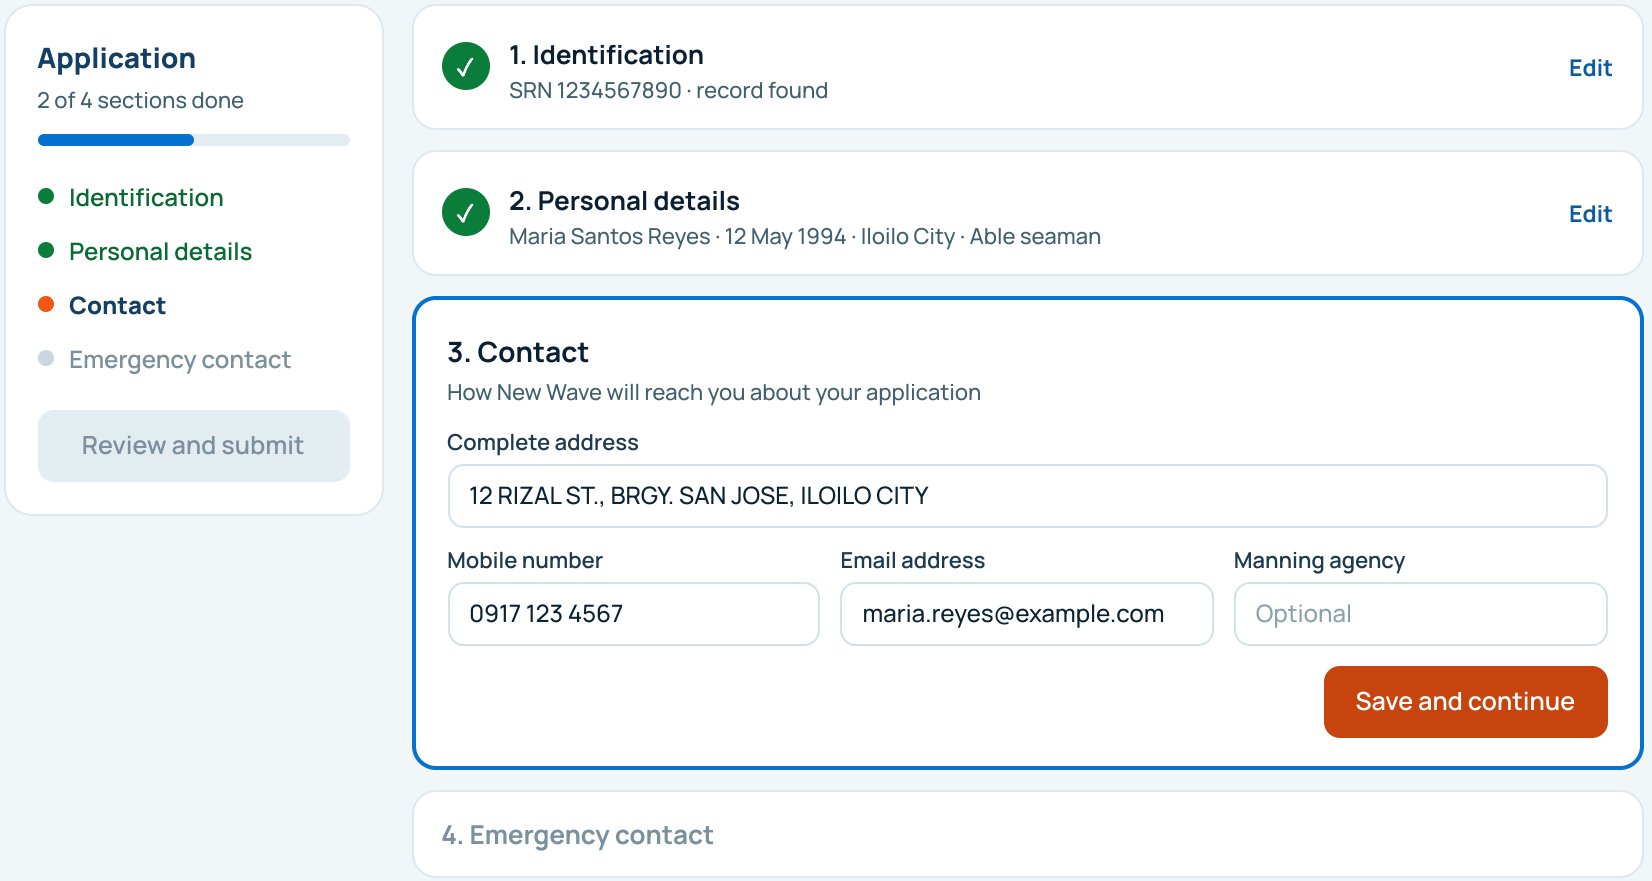

Enter your SRN first — returning applicants are filled in automatically.

Manrope 800 (headings) + Manrope 500 (fields)

BEST FOR

- Long forms without page changes
- Fixing one section without starting over
- Clear sense of progress

All five keep the same fields, the SRN look-up and the screening flow. Buttons with white text use #C8440E for readable contrast; brand orange #F25615 stays for badges and large type.

FORM DIRECTION 09

Live ID card

A trainee card fills in as you type. A preview of the applicant's New Wave trainee card updates live beside the form: name, SRN, rank and a photo placeholder. It makes the form feel personal and catches typos before submission. Plus Jakarta Sans for the form, IBM Plex Mono for the card's numbers.

TYPE PAIRING

Apply for training

Enter your SRN first — returning applicants are filled in automatically.

Plus Jakarta Sans (form) + IBM Plex Mono (card numbers)

BEST FOR

- Catching name and SRN typos
- A memorable, shareable experience
- Younger applicants

All five keep the same fields, the SRN look-up and the screening flow. Buttons with white text use #C8440E for readable contrast; brand orange #F25615 stays for badges and large type.
