NEW WAVE MARITIME TRAINING AND ASSESSMENT CENTER, INC. · PUBLIC REGISTRATION

Registration form — five directions

Five ways to present the online application on the website. Every option keeps the same information, the SRN look-up that fills in returning applicants, and the screening flow: applicants send their details, and New Wave confirms the course, requirements and payment before enrollment.

#	DIRECTION	CHARACTER	TYPE PAIRING
01	**Editorial**	Matches the website exactly	Source Serif 4 (titles) + Inter (fields)
02	**Guided card**	Same look as the new staff portal (Bridge Compass)	Plus Jakarta Sans (titles, fields) + Space Grotesk (SRN, numbers)
03	**Split hero**	Brand panel beside the form	DM Serif Display (headline) + DM Sans (fields)
04	**One step at a time**	Mobile-first, conversational	Lexend 500 (questions) + Lexend 300 (helper text)
05	**Official form**	Looks like the printed application form	Libre Franklin 700 (headings) + IBM Plex Mono (SRN, dates, numbers)

Direction 02 (Guided card) pairs naturally with the Bridge Compass staff portal. Direction 04 can also be combined with any other as the phone layout.

FORM DIRECTION 01

Editorial

Matches the website exactly. A calm, single-column form that reads like the rest of the site: serif section titles, numbered sections, hairline dividers and plenty of white space. The applicant always sees where they are in a slim two-step header.

TYPE PAIRING

Apply for training

Enter your SRN first — returning applicants are filled in automatically.

Source Serif 4 (titles) + Inter (fields)

BEST FOR

- Continuity with the homepage
- Applicants who read carefully
- Lowest design risk

All five keep the same fields, the SRN look-up and the screening flow. Buttons with white text use #C8440E for readable contrast; brand orange #F25615 stays for badges and large type.

FORM DIRECTION 02

Guided card

Same look as the new staff portal (Bridge Compass). A rounded card on a soft canvas with a vertical stepper on the left that also lists what to prepare. Plus Jakarta Sans and Space Grotesk tie the public form to the staff portal so the brand feels like one system.

TYPE PAIRING

Apply for training

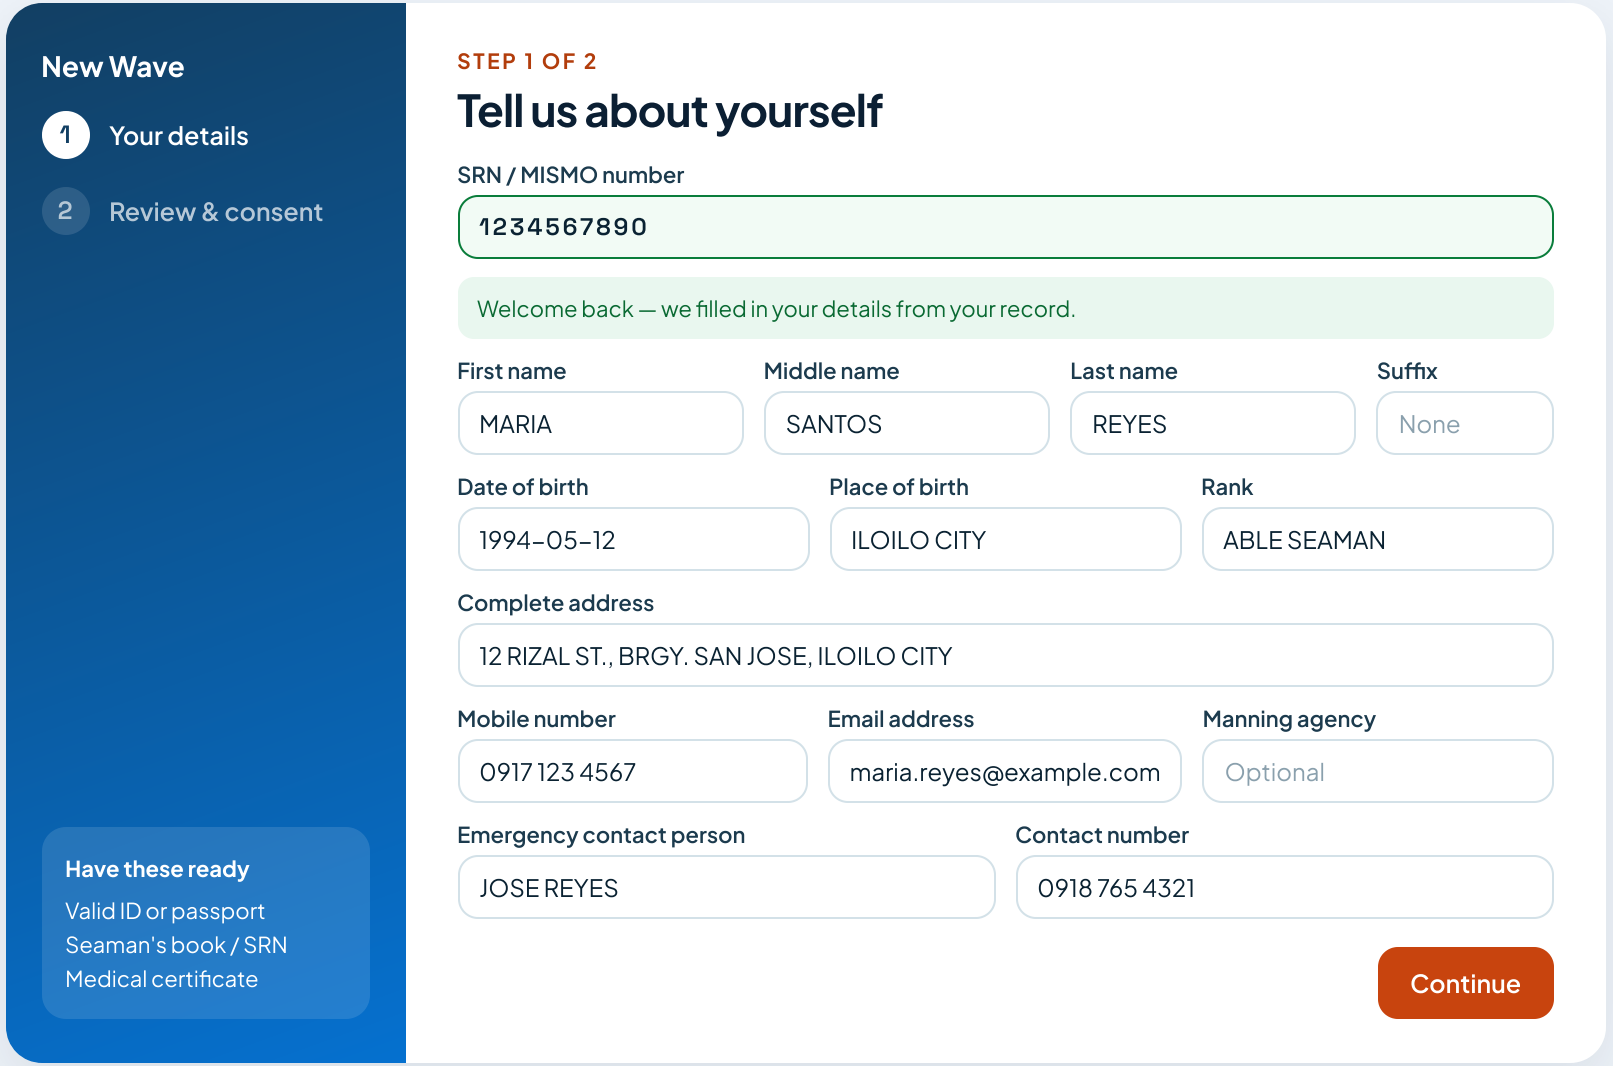

Enter your SRN first — returning applicants are filled in automatically.

Plus Jakarta Sans (titles, fields) + Space Grotesk (SRN, numbers)

BEST FOR

- One visual system, public and staff
- Showing requirements up front
- A modern, trustworthy first impression

All five keep the same fields, the SRN look-up and the screening flow. Buttons with white text use #C8440E for readable contrast; brand orange #F25615 stays for badges and large type.

FORM DIRECTION 03

Split hero

Brand panel beside the form. A navy brand panel with the seafarer photo, the MARINA accreditation badge and a three-item checklist sits beside the form, so applicants feel confident they are in the right place. DM Serif Display adds warmth to the headline.

TYPE PAIRING

Apply for training

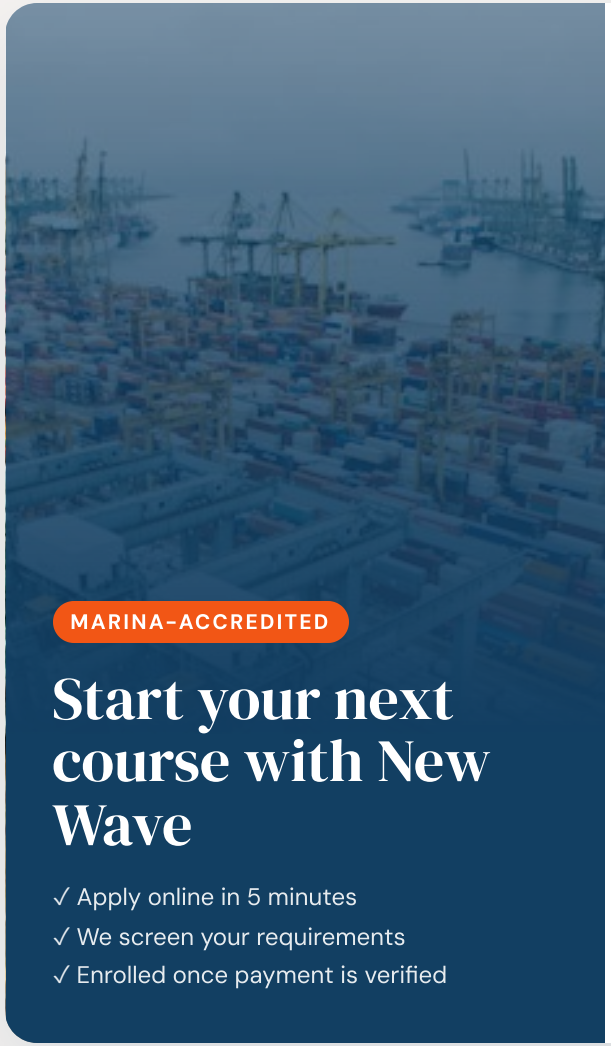

Enter your SRN first — returning applicants are filled in automatically.

DM Serif Display (headline) + DM Sans (fields)

BEST FOR

- Building trust with first-time applicants
- Desktop visitors from Facebook ads
- Showcasing accreditation

All five keep the same fields, the SRN look-up and the screening flow. Buttons with white text use #C8440E for readable contrast; brand orange #F25615 stays for badges and large type.

FORM DIRECTION 04

One step at a time

Mobile-first, conversational. Breaks the form into short screens (SRN, name, contact, emergency) with large inputs, a progress bar and one clear button. Lexend was designed for reading ease, so it suits applicants filling the form on a phone at sea or at a port.

TYPE PAIRING

Apply for training

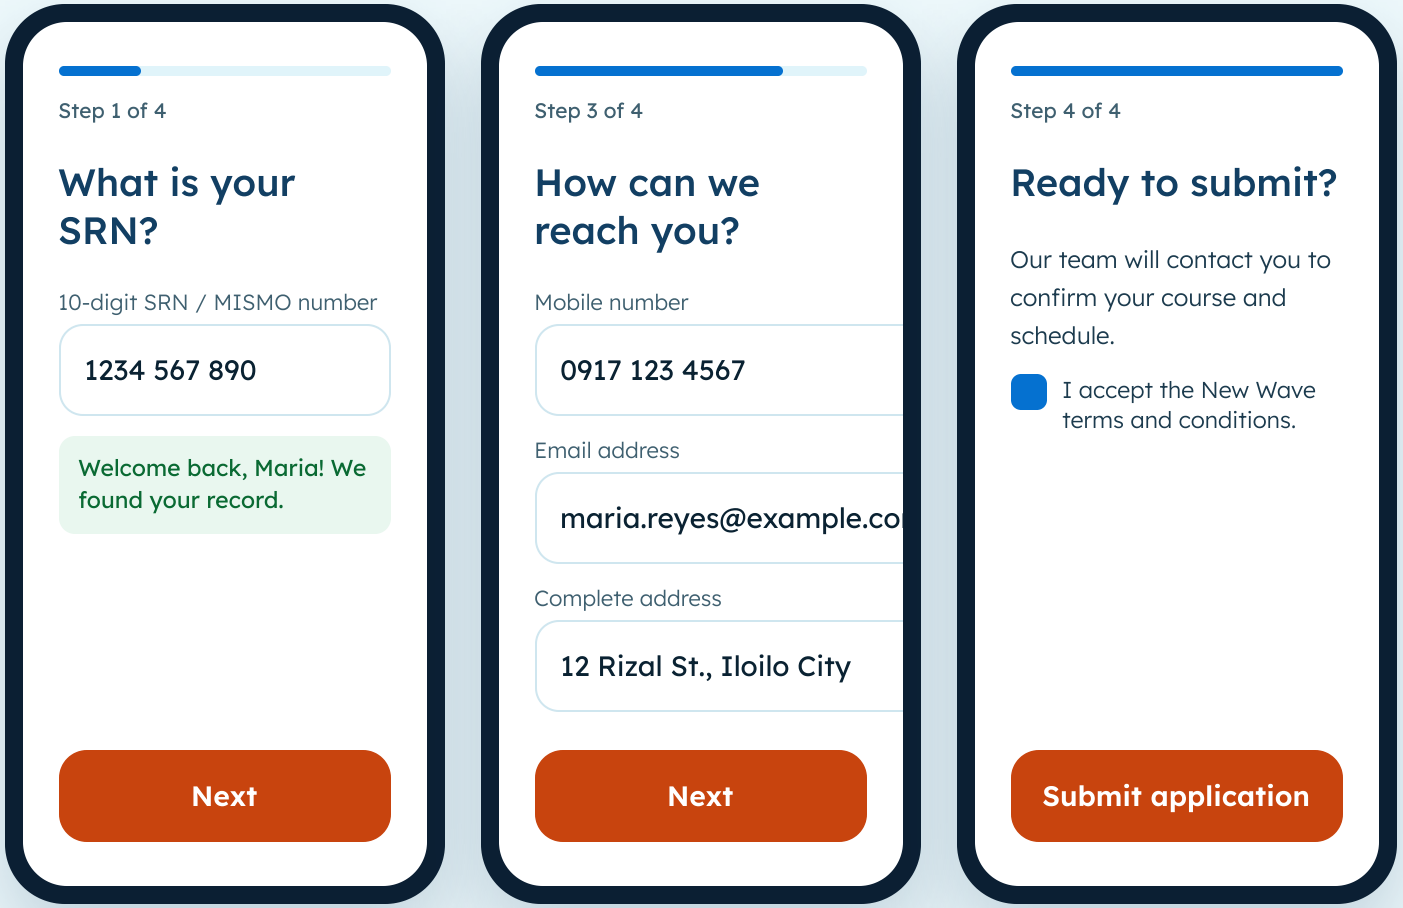

Enter your SRN first — returning applicants are filled in automatically.

Lexend 500 (questions) + Lexend 300 (helper text)

BEST FOR

- Most applicants on phones
- Fewer abandoned forms
- Older applicants or slow connections

All five keep the same fields, the SRN look-up and the screening flow. Buttons with white text use #C8440E for readable contrast; brand orange #F25615 stays for badges and large type.

FORM DIRECTION 05

Official form

Looks like the printed application form. Mirrors the paper application: boxed fields, numbered sections and character boxes for the SRN, so it matches the admission slip the applicant later receives. Libre Franklin is a clear institutional sans; IBM Plex Mono keeps numbers aligned.

TYPE PAIRING

Apply for training

Enter your SRN first — returning applicants are filled in automatically.

Libre Franklin 700 (headings) + IBM Plex Mono (SRN, dates, numbers)

BEST FOR

- Applicants used to paper forms
- Matching the admission slip and receipts
- A formal, regulated feel

All five keep the same fields, the SRN look-up and the screening flow. Buttons with white text use #C8440E for readable contrast; brand orange #F25615 stays for badges and large type.
